

From Our House to Your Home

Larry's House of Cakes first opened its doors on May 8, 1963 as Larry's Donut Shop. The company was started by Larry Clayton who has always been a lover of sweet pastries. Starting out mainly making donuts, in the late 1960s, the company slowly shifted its focus and expertise from donuts to cakes and cookies. Today the bakery offers a wide range of cakes, cookies, brownies, and many other great products.

Ever since its humble beginning, Larry's House of Cakes has been a staple to all forms of celebrations in Southern Illinois. We consider it an honor and a privilege to help you turn your moments into lasting memories.
