Our Story

Larry's House of Cakes first opened its doors on May 8, 1963 as Larry's Donut Shop. The company was started by Larry Clayton who has always been a lover of sweet pastries. Starting out mainly making donuts, in the late 1960s, the company slowly shifted its focus and expertise from donuts to cakes & cookies. Today the bakery offers a wide range of cakes, cookies, brownies, and many other great products.

Ever since its humble beginning, Larry's House of Cakes has been a staple to all forms of celebrations in Southern Illinois.
